2026 WASHINGTON ECK SOUL ADVENTURE RETREAT – AUGUST 12–16!

A Whole New World

You are warmly invited to the 2026 Washington ECK Soul Adventure Retreat held at the Seabeck Conference Center in Seabeck, WA, on the shores of the Hood Canal. There will be an H.I. program from Wednesday evening through Friday afternoon. The Main program for chelas, families, and friends will run from Wednesday evening through Sunday noon. We invite you to join our spiritual community as we reflect more fully on our theme, "A Whole New World."

Love turns challenge into opportunity and opportunity into fulfillment. It turns the hard clay of human consciousness into the soft loam of spiritual receptivity and growth. Let the seeds of Light and Sound fall upon the ripe ground of your heart. The body of ECK Initiates has already entered a brand-new world.

— Sri Doug Kunin, *The Mystic World*, December 2025

This year's program will feature several new video messages from Sri Doug! Because of this, we will not have a guest speaker, but will instead be inviting chelas from our own ECK community to serve as speakers and facilitators.

It promises to be an exciting and engaging experience for everyone to explore more deeply what it means to step into a whole new world in your spiritual life!
